Subject: Fourth Annual Fish Fry

Traverse City – The Friday night fish fry is a popular year round tradition in our northern land of lakes, conjuring up warm feelings and family memories. Northern Michigan’s proximity to the Great Lakes and numerous area lakes with abundant fish has played a role in the popular fish fry. A typical northern Michigan fish fry consists of beer batter fried perch, walleye, whitefish or other locally available fish. Tartar sauce, potatoes and coleslaw usually accompany the meal.

The Traverse City Senior Center in partnership with the Traverse City Area Steelheaders Chapter of the Michigan Steelhead & Salmon Fishermen’s Association will be hosting their 4th annual fish fry on Saturday, September 23, 12 p.m., 801 E. Front Street. Enjoy a large two-piece fish fry with a variety of wild caught fish – caught from the area by the members of the local chapter. The meal also includes sides, dessert and a beverage. There are multiple seating times available, ensuring fresh, hot fish.

Michigan Steelhead and Salmon Fisherman’s Association (MSSFA) was organized in 1971 by a handful of individuals who knew that Michigan’s newly formed trout and salmon fishery was worth protecting.

The cost is \$5 per meal. You must purchase tickets in advance by Wednesday, September 20. Tickets are not available on the date of the event and there are no meals to go permitted. If you have any questions, please email dmikowski@grandtraverse.org or call 231-922-4911. You can purchase tickets for the fish fry at the Traverse City Senior Center, 801 E. Front Street.
