Subject: iPad Email App Class at Senior Center

On Wednesday, March 25, from 1 – 2:00 p.m., J C Capron teaches emailing for the iPad, including sending emails, saving, organizing, and more. The ability to use this everyday feature efficiently, increases enjoyment and productivity in iPad use, and helps decrease frustration, especially for newer users. All ability levels can take advantage of this ‘Email app’ iPad class. Classes repeat in April – the 1st for Beginners; the 8th for Intermediate; the 15th for Advanced, and the 22nd for Email. Make sure email is setup and working before attending this session. Cost is $5 for members, $8 for non-members; advance registration is required. Please call the GTCOA Senior Center Network at 231-922-4911 for more information.

The Senior Center Network is part of the Grand Traverse County Commission on Aging – “Caring for those who cared for you” for 40 years.
