Subject: Learn more at the iPad Club for Adults!

For new and experienced iPad users alike, the club meets every Wednesday at 1:00 p.m. at the Senior Center Network in Traverse City. Each meeting is \$8 per person and Senior Center members get a \$3 discount.

JC Capron of CityMac leads this group learning environment through basics to more advanced techniques based on the goals of the group that day. "Having taught Apple classes since 1992, I have developed a clear and concise method for translating techie topics, with analogies, allowing the "non-techie" to relate and understand," Capron says.

Adults who want to get the most out of their iPad are encouraged to attend and bring their iPad. Register in advance by calling 231-922-4911 or email dmikowski@grandtraverse.org

The Senior Center Network is part of the Grand Traverse County Commission on Aging – "Caring for those who cared for you" for 40 years.
