Dear AARP TaxAide Client:

In response to the COVID-19 Outbreak the IRS has extended the tax return filing date to July 15. We anticipate rescheduling your tax appointment once the Senior Center reopens. At that time we will call you individually to reschedule your appointment.

We may send out a robo call to keep you informed of any changes or updated information. Our robo calls originate from Hart, MI and the phone number that you will see on your caller ID is 231-923-4024.

If you have already filed your tax returns, or you require assistance with essential needs like groceries, medications or meals, please call our office at 231-922-4911. If you have any questions staff will be answering phones daily during normal business hours.
